Through the ACS, we know more about jobs and occupations, educational attainment, veterans, whether people own or rent their homes, and other topics. Public officials, planners, and entrepreneurs use this information to assess the past and plan the future. When you respond to the ACS, you are doing your part to help your community plan for hospitals and schools, support school lunch programs ...

Units may reproduce this study guide as long as the credits to ArmyStudyGuide.com stay in the header and footer. We do not believe that you should have to pay for any study guide to prepare for U.S. Army Boards. We are proud to say that many units use our Study Guide as the main source of material for their boards.

The FAA compiled a list of references in the final ACS and FAA study guide. Unfortunately, they did not include everything you need or would find helpful. Below I have included the extra items that the FAA should have included, which are in the bold text. I find it interesting the FAA did not note anything about Part 830 (except for one small reference in a PLT code) or the NASA Aviation ...
