Economics had a lot to do with what we ate when I was growing up in New Hampshire during the Depression. Money may have been scarce, but fish was plentiful and affordable, so that's how we began eating this fish chowder. When meat rationing came along in World War II, fish chowder again became a staple in our household. -Fran

You can even swap in two cans of tuna or salmon - in fact most of the fish cakes I ate as a child were from tinned fish. Made that way, they are an inexpensive last-minute meal made from pantry staples. A crisp, golden exterior belies a soft, mashed-potato centre with buttery chunks of cod and bright shards of green onion. I typically serve fish cakes on a bed of lemon- and olive oil-dressed ...

While the fish is cooking, chop up the ginger and shallots (aka scallions / green onions) and heat up a bit of oil in a small saucepan. Not much is required, just 2 tablespoons per fish. Once the fish is cooked, transfer it to serving plates. Pile on the ginger and shallots, then sprinkle with salt and drizzle with soy sauce and sesame oil.
