By Sarah Lyall LONDON: John le Carré, whose exquisitely nuanced, intricately plotted Cold War thrillers elevated the spy novel to high art by presenting both Western and Soviet spies as morally compromised cogs in a rotten system full of treachery, betrayal and personal tragedy, died on Saturday in Cornwall, England. He was 89. The cause was pneumonia, his publisher, Penguin Random House ...

A lost work is a document, literary work, or piece of multimedia produced some time in the past, of which no surviving copies are known to exist. This term most commonly applies to works from the classical world, although it is increasingly used in relation to modern works. A work may be lost to history through the destruction of an original manuscript and all later copies.
